

# COMPANY & PRODUCTS PROFILE

APPS (Automated Processing and Packaging Systems) was established in Mandaluyong City in March 1998 as a machinery trading firm. Its business address since 2015 is at APPS Corporate Building, Block 47 Lot 9, Tropical Avenue, BF International, BF Homes, Las Pinas City, Philippines.

We supply customers with a single machine or complete lines from conveying, processing, packaging, washing systems, personnel sanitation, up to quality inspection. We also provide services for the repair, rebuilding, preventive maintenance and installation of machines and parts.

APPS is a leading supplier of food, personal care and pharmaceutical machines and equipment. Our foreign suppliers are respected manufacturers from Europe, USA and Asia. They produce some of the world's most trusted brands.

We have earned the trust of our customers by providing quick and reliable service. Our technical engineers are trained at our suppliers' facilities abroad and are fully equipped to provide customers with excellent after-sales support
